

General detail search fields

Search function is for planning applications lodged from 2000 to date

If you would like to search the archive with records from 1964 to 1999, please click here
(<https://planning.southdublin.ie/Home/DecisionsArchive>)

If you only know a few details, your search will give you a list of the nearest possible matches. You will need to select from this list to find your application.
